Pony Plop Bingo...

We have a special guest coming back to the Fair this year! Hopefully this year the pony will perform and will need to poo! ☺ Have a guess at which square you think that the pony will do her business in and be in to **win a \$50 cash prize!**

Rules: The pony is put into a fenced off area, containing a grid pattern of numbered squares masked out on the ground (no more than 300 squares). The winner will be the number the pony plops on. In the event the pony plops on more than one square, the prize will be split between the winning numbers.

Pony will be put into the fenced off area at 12.00noon. If there are still unsold squares on the day, squares will continue to be sold at the Fair up until 12.00noon. Winner is to be decided at the discretion of Vanya Bootham and 'Old Macdonald Farm' supplying the pony.

Pony Plop Bingo tickets — \$4 each *Bring this slip to the office to place your bet. Be in quick—limited tickets!* I would like to purchase _____ Pony Plop Squares (at \$4/square)

Child's Name: _____ Room No. _____ Amount

enclosed: \$ _____ (\$4 per square)
