The board has determined there are places available for out-of-zone students next year.

The deadline for receipt of applications for out-of-zone places is:

5pm Friday 31 March 2023

Students who live in the home zone are entitled to enrol at the school.

Applications from out of zone students will be processed in the following order of priority:

- First priority will be given to students who have been accepted for enrolment in an approved special programme. This priority category is not applicable at our school.
- Second priority will be given to applicants who are siblings of current students.
- Third priority will be given to applicants who are siblings of former students.
- Fourth priority will be given to any applicant who is a child of a former student of the school.
- Fifth priority will be given to applicants who are children of board members or board employees.
- Sixth priority will be given to all other applicants.

If the Board deems places available for 2024, applications for Terms 1 & 2 2024 will be advertised in the week of 24 July 2023.

If the number of out of zone applications exceeds the number of places available at the new entrant level, then a ballot will be held to select students. This would be held on **Monday 3 April 2023** and parents informed of the outcome within three school days of the ballot being held.

Home Zone Enrolments

Each year, applications for enrolment in the following year from in-zone students may be sought by a date, which will be published by a notice in a local community newspaper and

at local preschools. This will enable the board to assess the number of places, which can be made available to students who live outside the home zone.

Proof of residence within the home zone will be required.

Out of Zone Enrolments

Each year the board determines the number of places, if any, which are likely to be available in the following year for the enrolment of students who live outside the home zone. If there are places, the board will publish this information by a notice in a local community newspaper and at local preschools. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

<u>First priority</u>	will be given to students who have been accepted for enrolment in an approved special programme. This priority category is not applicable at our school.
<u>Second priority</u>	will be given to applicants who are siblings of current students.
<u>Third priority</u>	will be given to applicants who are siblings of former students.
<u>Fourth priority</u>	will be given to any applicant who is a child of a former student of the school.
<u>Fifth priority</u>	will be given to applicants who are children of board members or board employees.
<u>Sixth priority</u>	will be given to all other applicants.

If there are more applicants in the second, third, fourth or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by a notice published in a local community newspaper and at local preschools.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
